Next month I plan to be in California on other business and wish to inquire whether I might make a visit to your Department. As you may know, I direct an Office whose staff includes geographers and cartographers. I would appreciate an opportunity to meet and talk informally with some of your faculty colleagues. One of my Cartography branch chiefs, [REDACTED] will be with me. STATINTL

I am able to be in Los Angeles on Wednesday, 15 August, or Thursday, 16 August. Would one of these dates be feasible?

Sincerely,

John Kerry King
